Gloucestershire Airport
ADVERTISING OPPORTUNITIES

Airport Partners - at Gloucestershire Airport

Airport Partners are the sole advertising contractor for fixed poster, promotional and sponsorship opportunities at **Newcastle, Leeds Bradford, Bristol, Exeter, Gloucestershire, Glasgow Prestwick and the Highlands and Island Airports.**

Gloucestershire Airport is **one of the busiest airports in the UK**, handling over **85,000 flights per year**. The Airport is home to around 160 based aircraft, ranging from single-seat, homebuilt ultralights to multimillion pound, state-of-the art Executive Jets.

Gloucestershire Airport caters for both business and leisure, with Scheduled Services to the Isle of Man, Belfast City and Jersey, operated by Manx2.com, using an environmentally friendly, 19-seater turboprop. Additionally, 10 companies at the Airport offer specialist charter and management services for both fixed wing and helicopters ranging from 6-19 seats. This is a rapidly expanding market offering point to point, niche services, which are a cost effective, viable alternative to scheduled services from major airports saving that most precious of business commodities, time.

In recent years, major capital investment by Gloucestershire Airport Limited and numerous private tenants has resulted in a modern Terminal and Business Aviation Centre, a new fire station and much new hangarage and office accommodation.

Airport Partners offers the opportunity to promote your message to an ever increasing audience, with a wide range of interior and exterior advertising sites. Airport advertising offers a controlled environment in which we can maximise the effectiveness of your message to a defined audience, targeting passengers at different points of their journey. We welcome creative ideas and offer the opportunity of a full site tour with a member of the Airport Partners sales team, where we can discuss specific requirements and tailor an advertising campaign on an individual basis.
