Airport Partners - at Plymouth City Airport

Airport Partners are the sole advertising contractor for fixed poster, promotional and sponsorship opportunities at **Bristol, Newcastle, Leeds Bradford, Exeter, Glasgow Prestwick, Plymouth, Blackpool, Gloucestershire and the Highlands and Island Airports.**

Plymouth City Airport can trace its roots back to the early days of commercial flying. In fact the birth of the airport can be dated to **1923** when the first passengers joined a flight carrying mail to Croydon from a grass strip at Chelson Meadow. This successful flight, under the command of legendary air pioneer Alan Cobham inspired Plymouth City Council to look for a permanent site for the city's airport.

In **1925** the now popular service, helping to speed transatlantic mail from the local port to the capital, was moved to Roborough. **Plymouth Airport** had found its home and was given the Royal seal of approval with an official opening in July **1931** by the Prince of Wales. The aircraft operator's names have changed over the decades. Who remembers Western Air Express, Olley's Air Service or Railway Air Services?

Now in a new century air travel is no novelty but an essential part of West Country business life. The modern **Plymouth City Airport** provides business and private travellers with regular scheduled services to various parts of the UK. In **2008** nearly **120,000** passengers passed through **Plymouth City Airport.**

Airport Partners offers the opportunity to promote your message to an ever increasing audience, with a wide range of interior and exterior advertising sites, including promotional and sponsorship opportunities. Airport advertising offers a controlled environment in which we can maximise the effectiveness of your message to a defined audience, targeting passengers at different points of their journey. We welcome creative ideas and offer the opportunity of a full site tour with a member of the Airport Partners sales team, where we can discuss specific requirements and tailor an advertising campaign on an individual basis.
